

ARRL The national association for AMATEUR RADIO

225 Main Street • Newington, CT 06111 USA

Tel: 860-594-0229 Fax: 860-594-0259 www.arrl.org

Dear Author:

Please complete and return this release form at your earliest convenience. Upon receipt we will be able to proceed with the preparation of your material for publication. A return envelope is enclosed for your convenience.

73, Maty Weinberg, KB1EIB, Production Coordinator

I hereby grant all rights to my original work, including images and diagrams, for exclusive use by the ARRL, its licensees or assigns. I grant the ARRL exclusive rights to publish, reproduce, distribute, exhibit and perform the work in any language in all media now known or hereafter developed. This shall include digital archives. I also agree that I will not utilize any portion of the work or any reference to the work, except as specifically permitted below, in any other media without the express written consent of ARRL, which consent shall not be unreasonably refused.

It is not a duplication of previously published material (except as noted below), and suitable footnotes to reference source material, where applicable, have been included. I also state that this or similar material has not been published or submitted for publication elsewhere (except as noted below). I understand that the ARRL staff may edit the manuscript to fit style and other publication requirements. Authors of *QEX* articles are compensated at the rate of \$50 per published page, payable upon publication.

If this article involves a project that includes a microprocessor or other device that functions with instructions I have written, I will make the software available to any reader who requests it. I will supply it to ARRL for distribution on *ARRLWeb*, or I will distribute it from my own site or via e-mail.

IPv6 in Amateur Radio (from the 35th, 2016 ARRL/TAPR Digital Proceedings)
