Lake County Amateur Radio Club

Director Sheets Harassing Behavior via the LCARC Repeaters

Introduction

- Henry Sheets, KA9GKT has engaged in harassment on and off the air since January 2024.
- During this time and with knowledge of current and former LCARC directors of this harassment, Mr. Sheets was appointed a Director of LCARC.
- The harassment is unwarranted, unprovoked and has not been responded to in any form, other than reaching out to LCARC directors
- This presentation is a compilation of the most egregious behavior of Director Sheets.

History

- In 2024 Mr. Crozier requested Mr. Sheets refrain from explicit conversation on the KA9QJG repeaters. This was fully within Mr. Crozier's rights as the licensee.
- Since that time, Mr. Sheets has insulted, bullied, and casually referenced Mr. Crozier and his family in most conversations he has on local repeaters.
- Mr. Crozier took the steps to formally ban Mr. Sheets from his repeater in August 2024.

August 19, 2024

Regarding your operations on KA9QJG and other repeater systems

Henry Sheets, Jr.
FCC Licensee KA9GKT
4220 Georgia St.
Gary, IN 46409

Mr. Sheets,

I am the control operator of the KA9QJG repeater system, licensed by the Federal Communications Commission (FCC). I am writing regarding your ongoing operations on this and other local repeater systems which appear to be in violation of FCC rules, Indiana civil and criminal law, and common decency. I refer to 47 CFR §97.1 Basis and Purpose of amateur radio and §97.113 prohibited transmissions. Specifically, §97.113(a)(4)'s prohibition on obscene, false or deceptive communications and prohibition of use of amateur radio in a criminal act. Your engagement in ad hominem attacks, vile and obscene comments to others, and slanderous, deceptive and/or obscene communications regarding my family and/or myself are not only improper use of amateur radio but rise to the level of criminal harassment and/or intimidation under Indiana Criminal Code.

I demand you immediately cease these activities and your misuse of communications devices in regards to the above.

Further, in my capacity as the control operator of the KA9QJG repeaters, in accordance with 47 CFR §97.205(e) I may limit the users of these repeaters, and you are no longer a permitted user of my repeater systems.

You are to immediately cease operations on any KA9QJG repeater systems.

Response to Mr. Crozier

- This was the same image received by Mr. Crozier and Mr. Fields.

When YOU are don shitting DIARRHEA then wipe your ASS with this
Bastard Son-of-a-BITCH!!! Cunt/KUNT

HAZEL! more 151 before the "plug" is PULLED!!!! HA HA HA HA HA
HHAAAAAAA HA HA

Response to Mr. Fields

- This was the same image received by Mr. Crozier and Mr. Fields.

When you done taking a SHIT then wipe YOUR ASS with this!!!

P.S. Don sent private e-mails to EVERYONE that you are GAY!

Also ssid YOU and Ben KEQUNS would make a great COUPLE!!!!

HA HAAAA HA HA HA HA HA HA

And another thing, I ~~#####~~ I have NOT been on STUPID
repeater for over a YEAR!!! Call Sue Pelfrey the New Chargo
Mayors office 219-1157 or cell 219-313-3654 OR home 219-962-303;
to get the TRUTH on wow STUPID lost that tower site, NOT Becaue
of me!! You need to mind your own BUSINESS! ~~#####~~
You have enought SHIT on with litigation/lawsuits.

Instances Mr. Sheets was Counseled by others

- 2024
 - Q1 – Mr. Mumford and Mr. Munno speak with Mr. Sheets at a hamfest
 - Q2 – Mr. Mumford delivers a letter to Mr. Sheets' house
 - Q2 – Mr. Finick has a phone conversation with Mr. Sheets
 - Q3 – Mr. Sheets is sent notice by Mr. Crozier.
- 2025
 - Q1 – Mr. Finick again speaks with Mr. Sheets prior to him being appointed a director of LCARC

Records of Director Sheets

- The next slides are a small subset of what has been recorded.
- Starting in February 2025, an AI enabled multichannel recorder which transcribed audio to text was setup to record 147.000 and other local repeaters.
- This has been archived at <https://ka9gkt.com> guest/hamradio can be used to login and browse.
- This was distilled into a spreadsheet for relevant conversations of Mr. Sheets. [It is browsable here](#)
- A more detailed writeup was shared as written document.
- We are happy to provide any further evidence at LCARC's request.

Director Sheets Boasting

In several instances Director Sheets boasts of his new found “authority”

- From his QRZ Page:

03-14-2025 I have become one of seven directors of the Lake County Amaetur radio club, LCARC a very privilaged club here in Lake County Indiana. I was elected by by peers of my merit in amateur radio (no buying a way into this club!).

- I was appointed one of the directors, too, by the way, Rob.
So if you go on the Lake County website, you'll see my name in there.
I approved myself as a truthful, civic-minded American citizen that I was appointed.
- I didn't buy my way, like some people would.
- Uh, you know, not to make myself look like a big celebrity. I'm already maybe a celebrity.
I mean, I'm, like I said before, I'm more popular than Elvis Presley.

PR-2025-02-15-1139.31

- 00:14:24 That ham fest next week, week from today, yeah, I need to kind of maybe find my way out there and see my cuz.
00:14:32 **And maybe bring some brass knuckles in case I need to defend myself.**
00:14:38 **It will be a put-up job from other people, not any one individual, because they're a coward or a sissy.**

PR-2025-02-20-1052.06

- 00:01:01 No, Alan, you're a good man. You know, don't speak ill of the deceased. **Leave that up to me.**
00:01:06 I have a reason. Yeah, anyway, I'm waiting for one more plug to be pulled. That won't be anytime soon.
00:01:14 **There could be two plugs, but nothing ill to the one plug, but the other plug, oh, man, big champagne toast.**
00:01:21 Mm-hmm. I don't even rent a hall, man. I'll pay for everything. No, you leave that up to me.
00:01:28 I got a lot of, uh, secrets to share. I've been sharing a lot lately here, and there's more. There's more to follow. Stay tuned.
00:01:36 But, yeah, I was, uh, sort of toying around with, uh, the extra class, uh, pool there, um, uh, to upgrade there.
00:01:45 And, uh, so I, I just, you know, I talked about this on the air, so, but there's two others I'm not going to talk about.
00:01:51 But you will find out real quick. You'll find out. And it is going to be just ducky. Quack, quack.

00:03:20 Yeah, 706, Lionel's is there. The IC-7300, I got another person. Uh, the, uh, Paul Sinewski's, uh, Yezu FT-450D's over there.
00:03:31 So there's nothing here of really value. Yeah, I even moved some of the linears out of here.
00:03:35 Uh, that's selling cry like a little girl. I had to get the, uh, uh, the 811H from them.
00:03:41 They needed money to pay off the hush money to the grandkids there. So I, I got that and moved out of here.

00:03:58 Yeah, I'm moving back once at a time. I'm just waiting for a certain plug to be pulled and, uh, we'll move back in time

PR-2025-02-20-1332.30

- 00:04:26 I'm still thinking about that LaPorte County Ham Fest. Still thinking about that. Not that I'm
00:04:30 going to buy anything. You just go there. Uh, none of the LaPorte guys and Porter County guys
00:04:35 could be there. I'm sure they wanted, they, they made it known that we need to meet me and
them.
00:04:40 **They're making, they made it known that, uh, they're prepared, uh,**
00:04:44 **they got my back in case someone wants to be stupid. And this way, you know, he's,**
00:04:49 **he's got shields. He'll put in front of him. It doesn't matter. We can go through the shields**
00:04:53 **and take care of him. It's like, okay, well, all right. So he's a coward. He ain't going to show**
00:04:57 **up. He's got three people in front of him, high behind, staring with a gun in his hands. Like,**
00:05:01 **that's why we got guns too. I said, yeah, that's what I said too. I got guns too.**
00:05:05 Like, it scares us, you know, what a coward, what a coward. Anyway, uh, that's really,
00:05:12 **I like to go and meet them, meet them out there.** Although they do have their, uh,
00:05:16 their weekend, uh, meet over there in Portage. Uh, I think it's better weather. You know what,
00:05:22 there's something, there's something really going on that I'd really like to include you in. And
00:05:25 that's all good. It's all good. Nothing negative, uh, Alan, just, uh, this is something really that
00:05:30 I got a little bit of a confirmation on something here and a few other things going on. And, uh,
00:05:35 but I don't want to show my hand just yet, but we'll, uh, we're going to really start working

PR-2025-02-20-1417.47

00:08:04 One thing I haven't heard from my cousin in Florida.
00:08:08 I don't know what's going on there.
00:08:11 Her phone number's been changed.
00:08:13 She doesn't answer my e-mails.
00:08:15 Don't know what's up with her.
00:08:25 I hope everything is okay.
00:08:29 You know, that's the thing.
00:08:32 You don't hear from them in a while.
00:08:34 You really don't know, do you?
00:08:43 Yeah, that's what's got me concerned,
00:08:44 where she's in Florida.
00:08:45 **That's how I got tipped off on what was happening to Stupid**
00:08:48 **with the HT stuck to his ear.**
00:08:50 **I think I saw his adopted son down there.**
00:08:54 **Got wiped out by that hurricane and stuff.**
00:08:56 But I guess the insurance paid off,
00:08:58 so he's back on track again, back on board.
00:09:02 **So Stupid's sitting there crying,**
00:09:03 crying like a little old granny that he is.
00:09:05 "Help me, help me."
00:09:06 whaa whaa help me.
00:09:08 You know, his little crybaby stuff.
00:09:11 So he's back on board.

00:09:12 That's how I've been finding out,
00:09:13 because I have people everywhere.
00:09:15 I have relatives everywhere.
00:09:17 Speaking of relatives,
00:09:18 **I wonder if the catheter was ever pulled out.**
00:09:20 Yeah, it had to be.
00:09:21 Otherwise there'd be septic involved in there.
00:09:23 There'd be an infection, and we wouldn't...
00:09:26 **He's not long for this world anyway,**
00:09:28 **so it's just a matter of time.**
00:09:30 Yeah, I am concerned.
00:09:31 Yeah, I haven't heard from her.

00:10:11 **One hurricane did kind of mess them up.**
00:10:13 But the last one went through,
00:10:14 **took out Stupid's adopted son down there,**
00:10:17 **took him out big time.**
00:10:20 **Oh boy, took him out big time.**

TL-2025-03-08-1102.13

00:07:07 But my peers in the Lake County LCRC club repeater,

00:07:11 I've been positioned as one of their officers,

00:07:14 their directors that's on team.

00:07:17 So I'm very grateful for that.

00:07:19 This is a club you don't buy your way in.

00:07:20 You earn your rank through your merits.

00:25:15 Yeah, between Lake County here to LJ in Porter County, you're going to find some really fantastic men.

00:25:20 They are – there's no phoniness about them.

00:25:22 They're no liars.

00:25:23 They're big storytellers and exasperated and enhance it for their, you know, glorious – their glory.

00:25:31 We have glory hounds, okay, but no, you're not going to find no one here on this earth a PC.

00:27:12 You know, one thing, when I was at Andean,

00:27:15 we had a lot of young women there that wanted to be stenographers.

00:27:19 And I thought about going to journalism myself back then,

00:27:21 because I took a lot of business courses to get in the field.

00:27:24 But I basically wanted to go into broadcasting.

00:27:26 I'm not the disc jockey that spins records and gets all hyped up and pumped up

00:27:30 with all this hype, taking energy drinks.

00:27:33 We didn't have energy drinks back then.

00:27:35 We had speeders and pedalings.

00:27:37 But I didn't know that stuff.

00:27:39 I was a good kid, man. I didn't enjoy it.

00:27:41 I didn't smoke pot or nothing.

00:27:42 I came home, did my homework.

00:27:43 My peers, I've outlived several of them because of their drugs and rock and roll stuff.

00:27:47 They made me terrible at a young age.

00:27:49 But I had to take typing class,

00:27:52 because we had type essays and book reports and stuff.

00:27:56 So those electronic machines we had.

00:27:58 Well, no, I mean mechanical.

00:27:59 I finally bought an electronic machine some years after I left high school.

00:28:03 And I gave it to my first cousin some 25 years ago.

00:28:06 It was a Smith Corona, Super Cornet 12.

00:28:09 I paid \$184 for that thing on my first US bill paycheck.

00:28:13 And I used it for thousands of pages I typed up on that thing.

00:28:17 I had to plug in cartridges.

00:28:18 I wanted to get the idea with that little spinning ball in there.

00:28:20 You could change from Pi to Elite.

00:28:22 But that was way too expensive.

TL-2025-04-07-1346.56

00:00:00 Yeah, well, he's glued to this repeater because I'm out here, he's got a, he can't miss a thing I say.

00:00:07 He's in a 045 in his backyard repeater if you wish to find him over there.

00:00:20 Oh, I'd rather, I'd rather do it here. But, uh, thanks for the information.

00:00:27 Uh, I really don't care what you've got to say, Henry.

00:00:44 Really, Billy, I don't care what you say either.

00:00:47 He's got your brainwashed because you're sitting there drinking and patrolling and getting stupid.

00:00:51 Go stupid on his repeater, not over here.

00:02:05 Look at the light, Billy. What do you got back here? Your mom's dead, buried.

00:02:08 What do you got back here? You supposed to be over in Michigan somewhere?

00:02:10 What, has, uh, Crozier got you there, old brainwashed to hear him pick on me, too?

00:02:13 Thing that you, uh, mister tough guy? You ain't tough. You don't scare me one doggone bit.

00:02:36 Is that what you served with the Marines over there? When you couldn't eat, uh, clean latrines out?

00:02:40 Is that what you ate, dog meat, over there?

00:02:47 Died for millions of years, man.

00:02:51 Look at the light, Billy. Go back to Michigan. Your mom's dead and gone now, okay?

00:02:55 Go away. Go away. You want, oh, he's on 0-4-5. He's not on this one here.

00:02:59 Why are you picking on here? Oh, because he called you to come here to keep mess,

00:03:02 Why are you picking on here? Oh, because he called you to come here to keep mess,

00:03:05 because he needs a lawsuit. He needs money.

00:03:08 Grandpa, can you hear me?

00:03:17 Yeah, he's put his granddaughter on now.

00:03:19 That's child abuse right there.

00:03:21 I need to call, uh, what is that? What is that? Child Protective Services again on him?

00:03:33 I'm gonna call now.

00:03:35 I'm making a call now.

00:04:02 And I'll place your order shortly.

Supposed Interference

In this excerpt, it appears that Mr. Sheets is hearing the interference on his signal while transmitting. This would be impossible owing to the physics of radio and evidence that he is the source of the interference.

TL-2025-04-25-1857.57

00:19:28 Okay, yeah, yeah.

00:19:29 Yeah.

00:19:30 My little furry family's, uh, they're coming kind of alive here.

00:19:38 Is my fan club out there?

00:19:43 Your call letters there?

00:19:49 Mobile, okay.

00:19:50 They're going to give you call letters.

00:19:52 We know who you are.

00:19:55 Maybe I ought to call Hammond, police, just in case.

Director Sheets 911 Call

- On April 18, 2025 Director Sheets called Lake County 911 to make a false report on Mr. Crozier.
- Mr. Fields was on the phone with Mr. Crozier when the police showed up and had been for about 35 min prior. At no time was Mr. Crozier on the radio during this time.
- The officer found no basis in fact for the report and left.

This could have been much worse, and is known as a Swatting.

911 Call

00:00:00 Lake County Emergency Communications, Operator 56, how can I help you?
00:00:05 Yes, hello. Do you have the number for Child Protective Services out of Hammond, Indiana?
00:00:11 All I have is police numbers for them. If you Google it, you should be able to find that number.
00:00:16 Okay, because I've been going through the last half hour through different hoops of numbers,
00:00:21 and all I get is services of solicitation. You know, it's insane, insane.
00:00:27 Okay, what's the problem? What's going on?
00:00:29 All right, it's a Wilbur check over on, it's going to be Hammond Police.
00:00:34 Let me see the address here. 7824 Birch Drive, Hammond, Indiana.
00:00:45 Okay, what was that address?
00:00:46 7824 Birch Drive.
00:00:49 Birch Drive.
00:00:59 Okay, I'm going to call the operator, which I'm sure you are familiar with something like this.
00:01:14 This is a CB. We use call letters. We take tests and exams and co-tests.
00:01:19 Well, this individual at this house, it's his wife's house, he resides there,
00:01:25 and he's putting his little granddaughter on to get on and harass on an amateur radio band,
00:01:30 which is government frequencies in the amateur radio service, and using profanity.
00:01:36 She apparently is a six-year-old granddaughter of his,
00:01:39 and a girl that young does not know this type of profanity and the stuff she's saying.
00:01:44 She's being coached. This guy is kind of a screwball. He claims to be a cop.
00:01:49 He's not. He was a campus cop at the University of Chicago.
00:01:52 He was not a bona fide licensed Chicago police officer, but he drives an SUV, looks like a police.
00:01:58 He's had a run-in with the Hammond police years ago.
00:02:01 He loves making lawsuits, which is still a record with Hammond police, so they can look him up.
00:02:06 And my advice would be to not let this guy.
00:02:10 Sir, hold on. Sir, am I here at this location now?
00:02:14 No, no, no. I'm not over there, because this guy's got a gun.
00:02:18 This guy, he carries a gun on him, a .38 Special, so have the Hammond police beware
00:02:22 if they show up there with Child Protective Services to check on this child.
00:02:26 I don't know if he's physically doing anything to her, but it's, I guess, like a game.
00:02:32 Can you give me a description of this person?
00:02:35 Yeah, he's 78 years old. His name is Donald Lee Crozier Sr., C-R-O-Z-I-E-R.

00:02:41 He's 78 years old.
00:02:45 What race is he?
00:02:47 Pardon me? What?
00:02:48 What race is he?
00:02:50 Caucasian. Caucasian. He's white. He's white.
00:02:53 Do you know a height and a weight?
00:02:55 He's close to 6 foot. He's probably close to 200 pounds.
00:03:00 Hair color?
00:03:02 He's pretty much bald, but I know he's bald.
00:03:06 He has a mustache. He's clean-shaven except for a mustache.
00:03:09 Does he have any physical, medical, or mental conditions we need to be made aware of?
00:03:13 Oh, boy, yes, he does. We all...
00:03:16 Hold on a second.
00:03:17 Diagnosed? Confirmed diagnosed?
00:03:20 I'm not sure.
00:03:21 Okay, I'm going to put a no down here.
00:03:23 I would say by the people talking on the radio that knows him,
00:03:27 yeah, he's got some mental disturbances.
00:03:29 And he's about to say he's a veteran, he's on disability,
00:03:33 and he was a Chicago police, which we're not 100% sure on that.
00:03:36 Does anybody have a key to the residence?
00:03:39 No, no, we're not. They were keeping away.
00:03:41 We don't know.
00:03:42 We just want a welfare check on that young child that he's putting up on the radio
00:03:45 because some years back there was harassment, which you may be aware of,
00:03:49 on Lake County's system of harassing the police officers, dropping the profanity.
00:03:55 I'm going to let you go.
00:03:56 Officers will be dispatched as soon as possible.
00:03:59 Call us back if you get any new information or need any further assistance, okay?
00:04:03 Okay.
00:04:04 Please, ma'am, please put that out as a welfare check for that young child
00:04:06 because we're not sure what's going on.
00:04:08 Just a welfare check.
00:04:09 Okay.
00:04:10 Thank you, ma'am.
00:04:11 You're welcome, sir. Thanks for calling.
00:04:12 Bye-bye.

Continued Boasting - TL-2025-04-18-1451.01

00:07:55 I thought I was stopping.
00:07:56 I was too busy on the phone.
00:07:58 Someone's going to get a visit.
00:08:01 The local po-po, as he calls it.
00:08:03 He's got that white ghetto stuff on him.
00:08:06 Yeah, he's going to get a visit.
00:08:08 Yeah, we're tired of this stuff going out here, this harassment.
00:08:10 He's got a little grandchild out here.
00:08:12 So he's going to get a visit.
00:08:13 Mm-hmm.
00:08:14 Tired of this.
00:08:15 Okay, Henry. Catch you later.
00:08:17 And Janet, I did try to respond to you when I heard you a while back.
00:08:22 But Steve and I started talking.
00:08:24 And then the interference came in here about me and my fan club.
00:08:29 Because Stupa put his granddaughter up.
00:08:31 We all know, the trustees know, all around.
00:08:34 And Sean was there for a while, but I had to get off.
00:08:36 And I said, that's it.
00:08:38 Child Protective Services, I was calling around, making all the calls.
00:08:41 So there you have it.

00:15:52 I got off the phone after about 20 minutes jumping things.
00:15:56 I got the Hammond police there.
00:15:58 They should be there by now.
00:16:02 I love my fan club.
00:16:04 I have a way of getting back at them.

00:16:49 I was too busy on the phone.
00:16:51 Never mind.
00:16:54 They'll find out.
00:16:55 There's probably a knock on the door right now.
00:16:57 Never mind.

A Sad Situation

- This is only a small subset of the collected evidence.
- We found over 150 instances since February 9, 2025.
- As this has been going on since January 2024, the true number of instances is in the thousands.
- Each time Mr. Sheets was counseled on this behavior, he eventually restarted it.
- This marks the second time in recent memory that LCARC has appointed someone to a directorship who lacks the morality and good judgment to be a director of the organization.

A Way Forward for LCARC

- LCARC doesn't have the financial resources to indemnify it's Directors.
- LCARC is at a crossroads
 - One they could close the club and shut down, leaving a hole in NWI radio
 - Two the board could choose to operate the organization like a first-class club
- Our demands are noncontroversial if LCARC is committed to option two.

Demands of LCARC

- Repudiate, admonish, and expel Henry Sheets, KA9GKT through a finding of facts and ban him from club repeater systems. This is to be published on the LCARC website
- The organization formally apologizes to Mr. Crozier and his wife for the deeply offensive comments by director Sheets. This is to be published on the LCARC website
- Establish open records through posting on the website, Articles of Incorporation, Bylaws, meeting minutes, yearly IRS forms (990), and a quarterly statement of accounting.
- Establish character standards for directors and leadership.
- Admit Mr. Crozier as an honorary member owing to his lifelong commitment to the betterment of amateur radio in the area.
- Admit Mr. Fields as a member in good standing retroactive to the date his mail was received.
